

Roebuck Hunting in Hungary

2021 Spring (15 April - 15 May)

 *Passion & Prey*
European Hunting Services

Due to the solid Roe Deer population, multiple shooting opportunities may arise daily. We offer spot and stalk and high seat hunts. The expected trophies may vary from typical to unique antler formations.

Come to Hungary for a hunting vacation and be our guest for a vibrant, action-packed Roebuck trip and enjoy what our beautiful country has to offer. At Passion & Prey we are passionate about fair-chase, ethical hunting and traditional hunting culture and ceremonies. While our company is based in Canada, we have strong connections to Hungary as our owner was born and raised there.

Roebuck hunting is a perfectly suitable program for family vacation. Hungary is one of the most desired tourist destinations in Europe; explore Hungary's beautiful landscape, rich history, culture, cuisine, wine and more.

Roebuck Hunting in Hungary

2021 Spring (15 April-10 May)

5 nights, 4 hunting days package details:

Hunting area and method:

Eastern Hungary: Szolnok, Heves, Békés county
(about 250 km from Budapest Airport)

We hunt for Roebuck in different subregions of the Hungarian Plain in the Eastern part of the country, where the Roe Deer population is the most abundant, so the hunt is the most enjoyable and productive. Each of our hunting areas cover approximately 25-50,000 acres. The terrain is mostly agricultural. Spot-and-stalk or high-seat hunting techniques are combined.
