## **Big 4 Combo hunting in Hungary**

Representative package October - January

6 nights / 5 hunting days

**Including 4 big game species**

### **Highlights**

The hunt is taking Hungary's one of the most breathtaking, diversified region, in the Vértes mountains, about 60 km northwest from Budapest only. The hunting ground is approximately 10.000 acres free range and a 2.500 acres private high-fenced estate, variety of opened meadows, declivous hills, and steeper mountaintops, with wide variety of forests (80%) and agricultural fields (20%). Thanks to the territory's unique location and its habitat, our guests can hunt for all the big game species at the same time what Hungary's fauna has to offer. This package offers a hunt for a representative of 4 big game species: Red Stag, Fallow Buck, Mouflon Ram, Wild Boar within free range or estate conditions.

Thanks to the excellent wild game management and exceptional game population, hunters can experience seeing all big game species during a day, while multiple shooting may arise.

## Hunting method

Stalking and high-seat hunt. We are using 4x4 pickup trucks for reaching the actually most wild game frequented areas, then stalk or set up on high seats based on what is the best hunting technique for the given species and season. We adjust the daily routine to daylight and weather conditions, having early breakfast in the hotel and late dinner when the hunting day is over.

Our PH's knowledge help to navigate through our guests in trophy estimation to ensure the hunters to harvest animal within the chosen range.

We show our respect for the game and congratulate to hunters with our traditional way and celebrate the success old-fashioned as centuries before.

## Hungary as a destination

While visiting our beloved country, you will get an exceptional, high-quality hunting trip – and based on your wishes, many more! Hungary has an extraordinary atmosphere which is based on the rich, 1000 years old history: take a river cruise on the Danube and enjoy the beautiful Budapest!

For hunters and their families, we strongly recommend visiting some of our many castles and fortresses, functioning as historical museums. Spice your trip with the diversity of Hungarian cuisine – in a Michelin-Starred restaurant as well as in a small countryside tavern.

For culinary delights, we warmly recommended to visit the nearest of our 21 wine-region: every one of them has a special vibe, thanks to the area's own endowments and unique cuisine. For your perfect indulgement, visit one of Hungary's 233 Turkish bath, and take a relaxing day in the healing water.
