

# Red Stag Hunting in Hungary

 *Passion & Prey*  
*European Hunting Services*

September 2024-2025

Come and join us on a fair-chase hunting adventure! With traditional hunting ceremonies where one can hunt selectively within a trophy range of 8-14 kg, up to 400+ SCI points. In the peak roaring season of the majestic Red Stag. While our company is based in Canada, we have strong connections to this small European country as our owner was born and raised in Hungary.

We offer free range hunting on Hungary's most prestigious and well-managed hunting grounds.

Not only does Hungary have the world's best native Red Deer population, but it is also one of the most desired tourist destinations in Europe. Come and explore Hungary's beautiful landscape, rich history, culture, cuisine, wine and more.
