

Roebuck Hunting in Hungary

 *Passion & Prey*
European Hunting Services

2024-2025 Spring & Summer

Come to Hungary for a hunting vacation and be our guest for a vibrant, action-packed Roebuck trip and enjoy what our beautiful country has to offer. At Passion & Prey we are passionate about fair-chase, ethical hunting and traditional hunting culture and ceremonies. While our company is based in Canada, we have strong connections to Hungary as our owner was born and raised there.

huntinginhungary.com

Thanks to the solid Roe Deer population, we can provide multiple shooting opportunities daily. We combine spot and stalk and high seat hunts. The expected trophies may vary from typical to unique antler forms.

Roebuck hunting is a perfectly suitable program for family vacations. Hungary is one of the most desired tourist destinations in Europe; Explore Hungary's most beautiful landscape, rich history, culture, cuisine, wine and more.

Roebuck Hunting in Hungary

2024-2025 Spring & Summer

(4 nights, 3 hunting days)

Hunting area: Eastern Hungary

We hunt for Roebuck in different subregions of the Hungarian Plain in the Eastern part of the country, where the Roe Deer population is the most abundant, so the hunt is the most enjoyable and productive. Each of our hunting areas cover approximately 25-50,000 acres. The terrain is mostly agricultural. Spot-and- stalk or high-seat hunting techniques are combined.

Hunting season

15 April-30 September
Best timing: 15 April - 10 May

Accommodation

Guests will be accommodated in our hunting lodges, local B&B, or hotels nearby the actual hunting ground, providing a relaxing and comfortable environment serving traditional cuisine.

Roebuck package: \$ 4 950
